Commissioner for Patents

The amendment filed 10/09/08 proposes amendments that do not comply with 37 CFR 1.173(c), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required.

(c) Status of claims and support for claim changes. Whenever there is an amendment to the claims pursuant to paragraph (b) of this section, there must also be supplied, on pages separate from the pages containing the changes, the status (*i.e.*, pending or canceled), as of the date of the amendment, of all patent claims and of all added claims, and an explanation of the support in the disclosure of the patent for the changes made to the claims.

Also note that there appears to be a comma missing after "bottom end" at line 6 of claim 1. claim 5 ends with two periods, and claim 10 ends with two periods and a strikethrough.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.
